Letter from the Foundation Board President

Dear MRTA Members, Corporate Sponsors and Contributors:

The Missouri Retired Teachers Association advocated the formation of the **Missouri Retired Teachers Foundation** in 2002. The Foundation is a 501 (c) (3) tax-exempt nonprofit organization devoted to charitable, educational, scientific and literary purposes. The Foundation is incorporated under the laws of the state of Missouri and approved by the Internal Revenue Service as a public charity.

The Missouri Retired Teachers Foundation and Missouri Retired Teachers Association voted to build a permanent facility located in Jefferson City, Missouri. The land was purchased on September 2, 2005. In 2008, the process of building the permanent facility to house both the Missouri Retired Teachers Association and Public School Personnel and the Missouri Retired Teachers Foundation began. The MRTF along with the MRTA worked tirelessly to raise the funds to pay for the construction of the new building.

On December 31, 2008, the walls were going up and the Foundation continued those fundraising efforts. MRTF partnered with YTB Travel and will receive a percentage of the booking commissions to go to the building project. The Foundation continues to encourage the designation of MRTF as the beneficiary of the PSRS \$5,000 Death Benefit. The Foundation has participated and initiated silent auctions, label projects fundraising, raffles, written grants, and luncheons in an effort to fund the new building. We will continue these efforts as we move into 2009 and the new facility.

The Foundation wants to meet the goal of a debt free office and classroom facility in 2010. When we meet that goal the Foundation will devote time and effort to those other charitable, educational, scientific and literary purposes set forth in the by-laws of the MRT Foundation such as classroom grants, student educator scholarships, and a Missouri Educator Hall of Fame.

Sincerely,

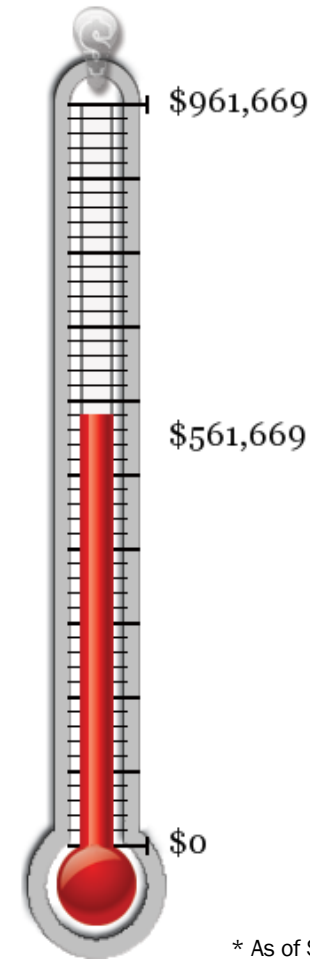

Betty Beal

Foundation Board President

Future Fundraising Goals

Thank you MRTA!

We have raised over half the cost of the New Permanent Office Facility. The principal on our mortgage is \$400,000. It is MRTF's goal to raise that amount by our 50th Birthday in 2010.

* As of September 1, 2009

The number of directors of the Corporation shall be fifteen provided, however, that the number of directors may at any time and from time to time be increased to any number not more than seventeen and decreased to any number not less than eleven by the adoption of a resolution by an affirmative vote of a majority of the Board of Directors.

Awards Project

The scholarship and grant program advances and enhances the status of the teaching profession in Missouri. Scholarships are awarded to active teachers or to students officially enrolled in a teacher education program and who are committed to teaching in Missouri schools. The scholarship committee includes Marcia Slaughter, chair; Frieda Hornback, Mark Hargens, Anna Lou Tommey and Ken Dillner. These members have been aggressive in seeking funding for the awards. Their efforts helped them gain funding from Anheuser Busch and Enterprise Car Rental.

Grant money is used by active classroom teachers to fund classroom projects. These grants have become more competitive as more schools learn about the grant. It is just one way the Foundation can make an impact on the education of Missouri students and encourage classroom teachers. These two programs are very important to the Foundation as a whole and make its work rewarding.
